Scalesco Measurement Technology provides a unique advantage when purchasing a Scalesco brand product, Free Factory Calibration!

Prior to shipment each scale is calibrated and tested prior to delivery to the end user to ensure accurate weighing and operation upon receipt of your product.

In order to provide our customers with the piece of mind when purchasing a Scalesco brand product from any authorized reseller, Scalesco provides a free 5 year calibration service to you!

Scalesco uses our own experienced service technicians and Class F2 calibration weights to inspect, test and calibrate your scale at our factory located in Fairmont, MN.

Terms and Conditions

1. Inbound freight is prepaid by owner of scale.
2. Product must be packaged in it's original packaging or packaging suitable for shipment to and from Scalesco Measurement without damaging the scale.
3. Outbound freight is pre-paid by the owner of the scale from Scalesco Measurement Technology prior to Inspection and Factory Calibration.
4. Allow 1 business day for Inspection, Calibration and Delivery from receipt of product.
5. Products received that can not be properly calibrated due to other product defects are subject to repair and/or product replacement fees. A typical product replacement fee is a 60% discount from current published list price.
6. Factory Calibration covers products within and outside the Scalesco Measurement Warranty Policy.

Instructions

Simply contact Scalesco Measurement at 1-866-587-5447 or fill out the Factory Calibration form and e-mail (sales@scales-co.com) or fax it to us at 1-507-238-5447.

Notes: Depending on your location and shipment methods used, the factory calibration may take from 3-11 business days. If you require an immediate calibration service, find your local scale dealer in your yellow pages for a minimal service fee charged by your local scale dealer. Manuals are available for download from Scalesco Measurement Technology
